President Says...Hi Folks,

I think spring is finally here. Miriam & I have been working around the yard cleaning flower beds and picking up sticks. It is time to get the vehicles out from their long winter naps.

We have Findlay coming up to get ready for. We are looking for helpers at Findlay on Thursday to help at the gates. We also need people to help Friday and Saturday driving the tractor for the shuttle trailer.

We plan on going over a lot of issues at the Findlay meeting in May. We are going to discuss some changes to our club's structure and bylaws. We will also discuss partnering with FMA to expand our help with the Findlay show in the future.

The June meeting will be at our house. We are planning on smoking some beef roasts for the meat this year. It will be a potluck, so everyone can bring their favorite dish to share.

I hope to see a lot of you at the Findlay show. Please contact me if you can help-out at the show. If you have any questions, please contact myself or one of the officers.

Your President,
Alan Kisling

V.P. Says...Hello Everyone,

The weather is getting warmer and the grass is getting cut, so you know what that means. It is time to get those vehicles out and enjoy the nice weather.

The Findlay show is coming up fast. I hope to see you there. This is about the best Military Vehicle Show around and we need your help to keep it that way. Volunteers are needed for a few easy tasks Thursday, Friday and Saturday. Just an hour or so of your time will go a long way to help out.

Our next meeting will be Saturday at noon in the Old Mill Stream Building at the fairgrounds in Findlay. This is usually our most well attended meeting of the year so we are planning to have a lot of important business to discuss and we need your input please plan to attend.

See you there.
Kevin Hess

Editor Says...Hi Everyone!

It is countdown time. As I write this, we only have 24 more days until our first major event - Armed Forces Day Celebration at the Hancock County Fairgrounds in Findlay, Ohio. Then comes the many Memorial Day parades and off we go with the many events of the season. I hope your ready!

We are asking for help in many areas this year at AFD. For one, OMP will need some help at the PX as we are making a major improvement to our sales area. We need volunteers to help fold and put the folded tee shirts, sweatshirts and other items in plastic bags then seal and mark. We are doing this so they stay cleaner and dryer - remember last year? We will start packing them in bags Wednesday after the tent is up, tables in place and merchandise out of the trailer.

FMA will need help with the gates on Thursday and also tractor drivers for the shuttle to bring people in from the parking lot during the weekend. I know there are other places they would like help so they don't get stuck for hours on end at one thing or another. OMP has been participating in Armed Forces Day Celebration since its' start. It has grown from a few vehicles behind the courthouse to the event it is today and with that comes more work. Please step up and help out where ever needed. We want to keep this great idea of John Dahlstrom's alive and well for everyone to enjoy. People look forward to this event from all over. I also manage the Findlay Military Association's Facebook page and it is amazing to see the excitement from people all over the country as the information starts up for the year. It isn't just people from the U.S. either! The show has grown into one of the largest in Ohio and possibly the country. Let's keep up the momentum and help where needed!

OMP will have their May meeting at the Old Mill Stream building, May 20th at noon. Sorry, no food involved! We have a LOT of business to discuss. This maybe one of the most important meetings of the year. We usually have many attending that normally don't have the chance to attend and this meeting, this year, maybe one of the most important meetings to attend. We need your input, so please attend this meeting.

See you in May,
Ann Winegardner

MEMBER UPDATES -

We still have members with recent surgeries and some with lingering problems so hope that with better weather coming that they can feel better again. So please continue to keep them in your prayers and we hope this is a better health year!

Left - March 29, 2023 - Mason, OH - James Hazlett's M52A1, 6 by 6, 5 ton tractor, along with Mission BBQ's M35, 2 and half ton, BBQ truck. This was at Mission BBQ's event honoring Vietnam Veterans.

Below - April 14, 2023 - Poverty Knob - Luke Maiden's 41 WC never turns down a work assignment! With times the way they are, the Poverty Knob Farm crew thought it was time for some assisted living arrangements for some American Bald Eagles. So the WC was put back in service! She's been Poverty Knob's first work truck and been under the same ownership since 1968 when the farm was bought. Photos at Kenny Adams' farm taken by Luke Maiden (Kenny's grandson).

Here are two new film stars. They recently went down to Atlanta to be in a Tyler Perry film. No information yet but Ken Hoelscher's Phantom and Kymm Cook-Wanat's Missy, who bought Kenny Adams' vehicle, will be stars soon. At left they arrived at the studio and the photo on the right is Ken and the OMP flag in Atlanta. Both trucks are home now. Probably tired from all the filming. What a journey! Photos supplied by Ken's Facebook page.

March 31 to April 2, 2023 - Cleveland, OH - The IX Center's Piston Powered Autorama. OMP had a nice selection of vehicles along with Marlboro Volunteers, Inc. OMP vehicles were brought in by Glenn & Tamera Bennett, Howard Coomer, Doug Curtiss, Mark Poley, Tom Price, David Thomas (trailer), The Cheney family, The DeLauder family, and the Hess Family. Photos on this page were taken by Kevin Hess.

MESSAGE TO OUR BUSINESS OWNERS AND COMMUNITY

These are trying times and our Post has fallen on those times. We were forced to shut down for several months due to Covid-19, but thanks to generous donations from the community, were able to survive. In addition to the hit taken with the Covid restrictions, our membership has dropped significantly and we need more Veterans, family members of Veterans and Social Members to join our Solon VFW family. We are reaching out to YOU. If you have employees, friends and family that were in the Military or support our Police and Fire departments, spread the word and come join us on June 24th!

DONATIONS

A large part of what the Solon VFW does is charitable work helping veterans and other charitable organizations. Solon Post 1863 actively participates in this mission but needs your help in maintaining our building. Our Post relies on money received from the Canteen activities, hall rentals and donations from the community. We are asking for your HELP. We are in need of major building improvements including a new roof and parking lot repairs. If you can find it in your hearts to donate, we would very much appreciate it. The donation is tax deductible and it will go a long way to help our Veterans who have sacrificed so much for us. Along with your donation, the Solon VFW will be donating a portion of the proceeds to an Affiliated Veterans Organization to help those who have sacrificed so much for our freedoms.

Toledo Jeep Fest (TJF) – taking place on August 4th through the 6th – celebrates decades of Jeep’s partnership with the City of Toledo. Jeep has been touching the lives of Toledoans, people throughout the United States, and people around the world in a meaningful way for nearly 90 years!

Bringing in Jeep enthusiasts from more than **40 states and countries**, TJF is a unique opportunity for vendors and sponsors to reach their target audience across the globe, especially in the United States Midwest.

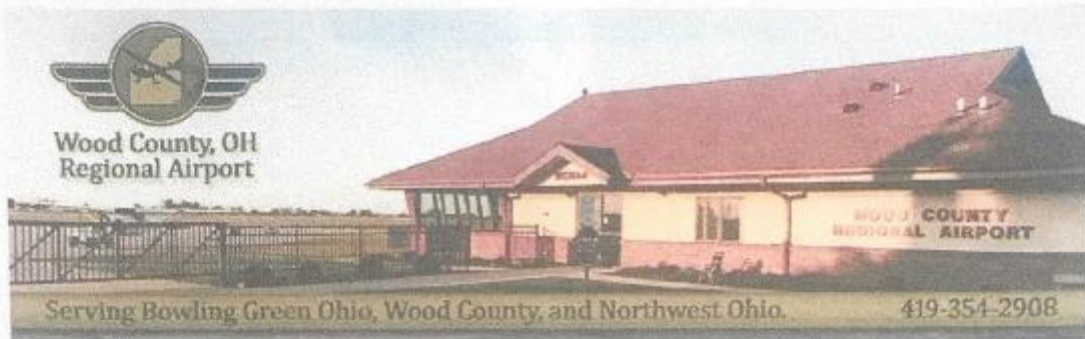

Toledo, Ohio has been the Home of the Jeep for nearly nine decades, employing more than 6,000 skilled workers. As the center of a strong and loyal Jeep community, the tri-state area consists of more than 60 Jeep enthusiast clubs with **approximately 1 out of every 5 registered vehicles in the region being a Jeep**. Most of these vehicles are stock vehicles or lightly modified, offering a tremendous opportunity for Jeep aftermarket product manufacturers.

Join us in August 2023 and enjoy the benefits of this unique market!

To learn more, contact Event Director Whitney Rofkar at **419-283-7609** or **Whitney@ThreadGroup.com**.
You can also visit **ToledoJeepFest.com**.

Event founders are striving to help Toledo Jeep Fest become the largest Jeep-related event in the United States. This year, we look to proudly showcase Toledo as the heart of Jeep Country. We are stepping up our game and planning is now underway. The weekend of August 4, 2023 will be action-packed, and thousands of Jeepers are expected to take part in the festivities – the All-Jeep Parade through downtown Toledo, a large-scale Vendor Midway, and much more. **We can’t wait to see you there!**
