President Says...Hi Folks,

It has been a busy summer so far this year. I hope everyone had a good time at the meeting at our house. We had about 45 people there. Thanks to everyone who bought items I had for sale. Now I have room to work on getting things done in the garage and barn.

We attended the FMA roundup meeting for the Findlay show. The show keeps growing and doing better. The OMP will be judging vehicles at next years Findlay show. Kevin Hess and a few others will be organizing the judging. We will need a few volunteers to help out with the judging.

Our next meeting will at Don & Ann Winegardner's home. It will be a potluck, corn and brats will be served. We usually have a mini swap meet there, so if you have items to sell bring them with you. We have few things to discuss about what the future has for the OMP. We are growing in membership every year. It is good to see an organization like ours still getting members. The August meeting will be at Lauer Farm 1944 in Lima. It should be a good time. This is a place we haven't visited before. It will be nice going to a new place.

I hope to you all soon, if you have any questions please contact one of the officers.

Your President,
Alan Kisling

V.P. Says...Hello Everyone,

Now that Summer is in full swing, I hope everyone has time to get their HMV's out for a drive. Enjoy a parade, car show, or a nice drive on some back roads, stopping for some ice cream on the way. Most important thing is to enjoy them and the people that appreciate what we do.

We have a full calendar of events listed and I am sure there are more local events happening around you. Get out and enjoy the summer! I hope to see everyone at the July meeting at the Winegardner's house Saturday July, 8th.

See you there.
Kevin Hess

Editor Says...Hi Everyone!

OMP was certainly busy this past month! I had so many pictures I barely fit all of them in the mailed newsletter. Of course, the emailed newsletter I will not have that problem and you'll be able to see many more beautiful and reflective photos of the events members are participating in.

I need to thank a few more people for helping with the PX at AFD for helping with the folding/stuffing tee shirts. Sorry I missed you to Sue Thompson who spent most all of Wednesday helping and also to Molly Constien who was quality control making sure labels were correctly attached on Wednesday. Couldn't have done it without all of your help.

Next meeting will be at our house on July 8th for our annual Brats & Corn roast. So far since we haven't had very much rain the lawn should be ok to park on. We'll supply the usual July menu of corn and brats. We'll have condiments, plates and utensils, napkins, water. You bring a side dish and if your drink is other than water. Possibly a chair since we are still using our old Corvette days folding chairs and they are fine but not too comfy. Kurt will be doing the grilling and Don will fix the corn. Directions, maps and such are in this newsletter.

I want to thank everyone who either sent me pictures or let me use what they had on their Facebook page for pictures this month. Quite a few participated in Memorial Day parades or static displays in their areas. I also have acquired more for the Calendar of Events so check it out. I added some new events one is in July at Grand Lake in Celina, OH. Also, check out the writeup from David Pizzoferrato about getting a group together for Jeep Fest in Toledo in August. OMP has lots of events coming up, so hope members can help by participating in some of these great events. Remember - TAKE PICTURES!!!!

See you in July,
Ann Winegardner

SECRETARY'S REPORT

Meeting was called to order by President Alan Kisling on Saturday, June 10, 2023 at the home of Alan & Miriam Kisling at 1:45pm.

Pledge of Allegiance.

Secretary's report: Pam Cheney made motion to accept the minutes as written in the newsletter. Miriam Kisling 2nd motion and motion passed. Remember to contact Ann if you would like your newsletter sent by e-mail.

Treasurer's report: Report is from May 18 through June 9, 2023. Income is from dues, donations, Supply Room (PX), replacement of change for PX and Raffle income. Expenses this month were for 1 May newsletter (printing, envelopes, postage and sales tax), Donation to North Baltimore American Legion, withdrawal of money for PX for change (returned same amount in this report) for nametag engraving and website expenses. Rick Carine made motion to accept Treasurer's Report and Jim Nunn 2nd. Motion passed. For a more detailed report, which is available to members, please contact John Cheney II.

Guests: Micki Owens & Judy Ellis.

New Members: None

New Business: Alan thanked everyone for coming which got a round of applause. Alan did a fantastic job on the shredded beef. David Thomas made motion to cover cost of porta pot for the meeting and Pam Cheney 2nd. Motion passed

Old Business: We started off with the reading of the letter sent to MVPA Headquarters regarding our dis-affiliation with the organization. Alan, John & Kevin then answered questions regarding the decision. We found that since our last meeting Empire West (NY) has disaffiliated as well as the Portland, Oregon club. If anyone has any questions about this decision, please call/email one of the officers and we'll discuss. Again, please note that is only club related. As a club we do not pay money to MVPA or them to us. We do not have any "Perks" so affiliation is basically only words on paper and will not affect individual members memberships to MVPA or MVPAAH.

July 8th meeting will be the annual corn roast/bratwurst picnic/meeting at the Winegardner's.

August will be the Jeep Fest and they have asked us for vehicles for the parade and a display which is indoors. David Pizzoferrato will be our contact if you are interested in parade or display. There will not be a display cost to us as a group so please bring out your Jeep and let people know about our group. August meeting will be at Lauer Farm 1944 in Lima.

September meeting will be the annual Ride Through the Woods outside of Danville hosted by John Ellis. We reminded John to make sure his vehicles have enough gas this year. It seems to be a tradition.

AFD: John Cheney II gave us a short wrap up of AFD this year. Things went well. Talking about changes to next year's event. Some things in the works were that they would like to start judging of vehicles, selling a 3 day pass for those who don't have a vehicle/reenactment/vendor/display but want to attend multiple days. Also, discussed were vendors packing up early Saturday as there were a few complaints so will look into a remedy for this. They had a videographer filming at this year's AFD and this will be used for advertising. So far, we've

(4) seen a 3 sec. teaser and it was awesome. He will be

doing a 3 an a 5 minute video so hope to see that soon. Next year American Huey will again be there. People seemed to be ok with them not flying this year since they got to look all over the helicopters but next year they hope to fly with all paper-work done. The Sherman will again be there but the flame thrower will not be there next year. Also, looking into opening a few more buildings for inside displays etc.

Molly Constien made motion to adjourn and JD Smith 2nd. Motion passed.

Raffles: – John Cheney II won the 50/50 pot. Items donated for drawing brought by - Rick Carine, Cappy Cheney, Miriam Kisling, Bob Pierce, JD and Barb Smith, Sue Thompson, and Ann Winegardner.

~~~MUSTER: Reminder, if you don't sign the signup sheet we won't have record of you being there for year end awards.

Toledo Jeep Fest 2023. Aug 3-6 from David Pizzoferrato's Facebook announcement on the OMP page.

Calling all historic military contract produced Jeeps for indoor display at the Glass City Convention Center.

As I was unceremoniously "volunteered" at the last Ohio Motorpool meeting, I am putting out the call to military Jeep owners in Ohio, Michigan and Indiana that are members of either the Ohio Motorpool or of the Indiana or Michigan Military Vehicle clubs. These three states have been targeted due to proximity to Toledo. If you are outside of this area and wish to apply, feel free to do so.

The organizing committee is looking to showcase the military production of the Toledo Jeep. Specifically looking for Willys MA, MB, CJV35/U, MC (M38), MD (M38A1), MD-A (M170), Willys M151, Willys M274 Mule, AMC M422 Mighty Mite, Kaiser M715, Kaiser M725, Kaiser M606 and possibly Kaiser M35 or variant.

Display space is limited to about 12 vehicles. The intent is to show, through displayed vehicles, a chronological montage of Toledo Jeep produced military contract vehicles. The normal registration fee will be waived for these select vehicles.

Here is an outline of what will be required to display: Indoor Glass City Center Exhibit: For rare and custom Jeeps.

Continued on next page.....

Continued from page 4..... Please understand that total space is limited to 150 Jeeps, and subject to approval. The Indoor Glass City Center (formerly known as the SeaGate Convention Centre) Exhibit is for select Jeeps only; those of historical value or that are a particularly rare model, customized and built rigs, etc. After registering for this exhibit, TJF staff will contact you via email within two weeks of submission to let you know if your Jeep is selected. All selected Jeeps will be secured inside the Glass City Center Exhibit Hall from Friday, August 4 until noon on Sunday, August 6 at 1 p.m. for public display. Once your Jeep is parked in the Glass City Center Exhibit, it cannot exit to take part in the All-Jeep Parade. Jeeps cannot participate in both activities, and therefore drivers must pick only one of these two popular options. Please message me directly with your vehicle info and a photo or two. I'll compile the info and forward it to the committee. Do not use the online registration until the final list has been approved. You'll be notified with a code or other work around to have the fee waived.

MEMBER UPDATES -

We were saddened to hear of the passing of Marilyn Jones, longtime member of OMP. Until health concerns, both Marilyn & Fred were very active members. Beside Fred she leaves behind a daughter Debbie and lots of grand kids, great grand kids and a brother, Paul Dunford and wife Molly. Two sons and an infant daughter precede her in death.

TROOPS IN TOWN

Celina American Legion Post 210

July 28-30²⁰²³

Toledo Jeep Fest (TJF) – taking place on August 4th through the 6th – celebrates decades of Jeep’s partnership with the City of Toledo. Jeep has been touching the lives of Toledoans, people throughout the United States, and people around the world in a meaningful way for nearly 90 years!

Bringing in Jeep enthusiasts from more than **40 states and countries**, TJF is a unique opportunity for vendors and sponsors to reach their target audience across the globe, especially in the United States Midwest.

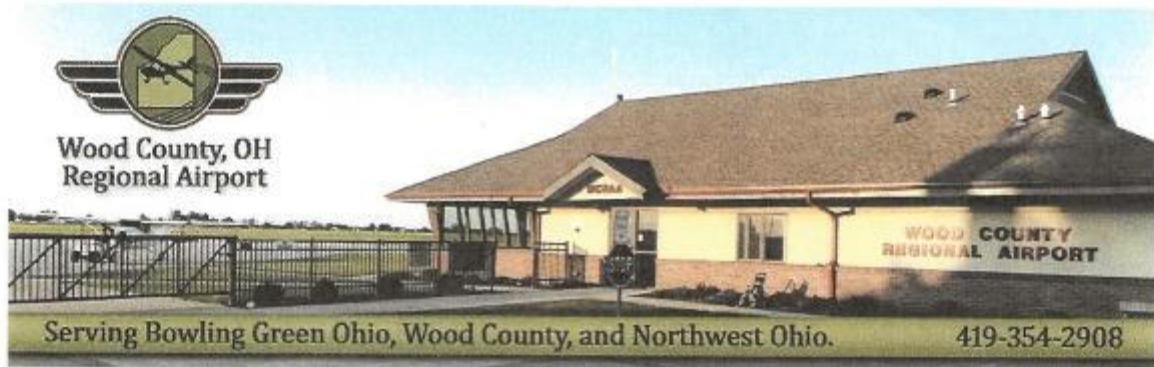

Toledo, Ohio has been the Home of the Jeep for nearly nine decades, employing more than 6,000 skilled workers. As the center of a strong and loyal Jeep community, the tri-state area consists of more than **60 Jeep enthusiast clubs with approximately 1 out of every 5 registered vehicles in the region being a Jeep**. Most of these vehicles are stock vehicles or lightly modified, offering a tremendous opportunity for Jeep aftermarket product manufacturers.

Join us in August 2023 and enjoy the benefits of this unique market!

To learn more, contact Event Director Whitney Rofkar at **419-283-7609** or **Whitney@ThreadGroup.com**.
You can also visit **ToledoJeepFest.com**.

Event founders are striving to help Toledo Jeep Fest become the largest Jeep-related event in the United States. This year, we look to proudly showcase Toledo as the heart of Jeep Country. We are stepping up our game and planning is now underway. The weekend of August 4, 2023 will be action-packed, and thousands of Jeepers are expected to take part in the festivities – the All-Jeep Parade through downtown Toledo, a large-scale Vendor Midway, and much more. **We can't wait to see you there!**
