President Says...Hi Folks,

It has been a mild summer this year. I have been working on getting my garage/barn organized. Found all kinds of things I forgot I had. It was like Christmas in July for me. Still have a few things to get rid of. If anyone needs shelving, storage cabinets and work benches give me a call. Miriam is being busy as grandma's Uber services. She sure is enjoying retirement, wish I could.

Our next meeting will be at Lauer Historical Farm in Lima. We will be having a potluck with no meat. You can bring casseroles, salads or a dessert. We will have plates, plasticware, napkins and bottled water. They have tables and chairs and power for crockpots. Plan on staying after the meeting to explore the grounds. I have never been there, so I will stick around. Our September meeting will be in Danville at John Ellis's gravel pit. This is our annual ride through the Mohican River Valley.

I hope to see you all this summer. Please stay safe in your travels. Please contact the officers if you have any questions.

Your President,
Alan Kisling

V.P. Says...Hello Everyone,

Had a good time at the corn roast last month. Started out a little wet but it dried up and as usual there was plenty of food. Thanks Don & Ann!!

Keep an eye on that events calendar. There is a lot to do and the summer is going by fast. Our next meeting will be at Lauer Farm in Lima. I hope to see you there

See you there.
Kevin Hess

Editor Says...Hi Everyone!

It has been an eventful past couple of weeks. We had the July corn roast this year but with the rain, we had to go into the garage to eat and have the meeting. Wouldn't you know it, but as soon as the meeting was over, the sun came out and dried up all the rain. Unfortunately, I didn't get any pictures at the gathering this year. Don didn't get the vehicles or artillery out because of the rain and no one else drove their vehicles either

because of the rain. We did have excellent food, as usual, and quite a few people came in spite of the weather.

The next weekend Don and I went to the Liberty Aviation Museum's Military Vehicle & Living History weekend at the museum. Saturday we just went as supporters because of the rain and took pictures but Sunday we took some chairs, the club info and a table. Don forgot the canopy so we bummed some space from the Hazlett's and had a great time with Jim and Jeff plus talking with people. The weather was pretty good on Sunday. Had a little smoke from the Canadian fires move in after the rain Saturday but it wasn't too bad. We were glad to see some people we don't normally see after Armed Forces weekend. I was surprised to see Jim & Pam O'Brien from the Empire West MV Club there plus a few of our dual members from Indiana. We talked a bit but the rain really started to come down so they went on to the 2nd hanger (with lots of really cool stuff) and I went back to the tent where we were talking with a Border Control agent. Like I said, we talked to many interesting people and even Saturday was enjoyable (but Sunday better!). To the left is the new addition to hanger 2. Stanley the hanger cat has an assistant now, Miss Mitchell. I didn't get to meet her but wanted you to see her.

Well, next meeting instructions are in this issue on page 5. August 12th at Lauer Historical Farm on the east side of Lima, OH. Depends on the weather but may have a tour of the grounds so wear comfy shoes if you want to go. We will be in the red barn that is handicap accessible. We may not have a meat provided but we always have more than enough to cover for a great meal. Eat at noon and meeting afterwards.

See you on the 12th,
Ann Winegardner

## MEMBER UPDATES -

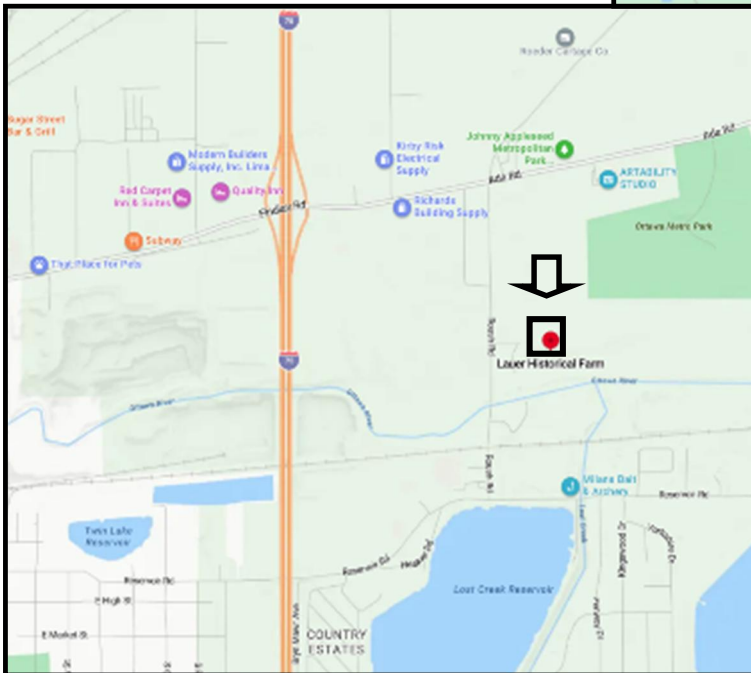

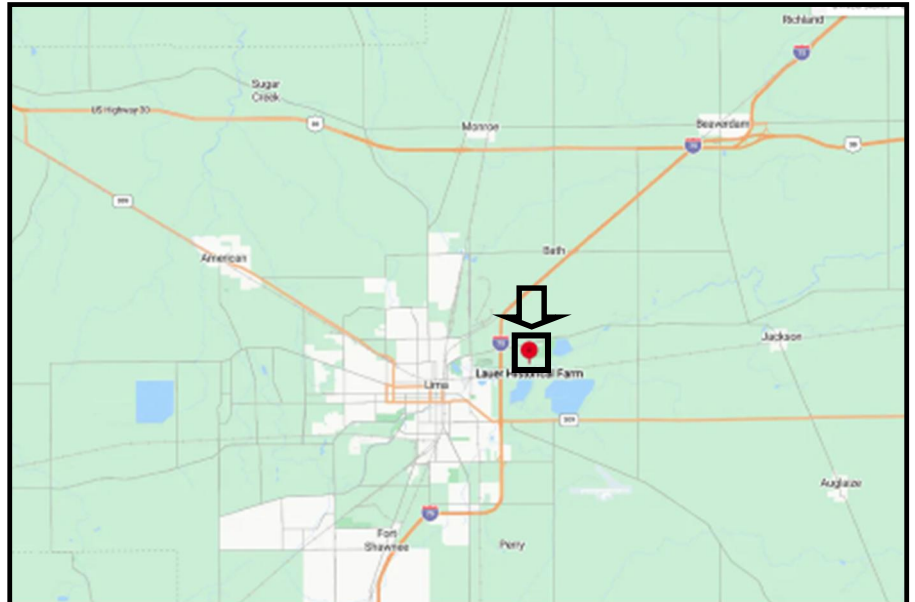

We have heard some members with recent surgeries are doing much better but we still have a few members with lingering problems and a couple other members with an upcoming procedure. So please continue to keep them in your prayers and we hope things get better for them!

**WANTED:** We are looking for another printer to take over the printing of the OMP newsletter and possibly the calendar at the end of the year. Our current printer, Randy Bennett is retiring and let us know he'll print until the end of the year unless we find someone sooner. We want to thank Randy for the 16 years he has given us the best printing ever. Randy and his staff has put up a lot from me and I thank him for all the help and patience he has given me. He always came through when we had an "ut-oh" or had to have something "right now." The calendar was KMI's idea and it has become something we all look forward to. It is hard saying goodbye to him but hope he still keeps up with the MV things in his retirement along with his newer hobby of motor bikes. Have fun!

**Below - June 27, 2023: Kelley's Island -**

**Operation Sealion II 2023**

Members of the Ohio Motor Pool joined forces with the Liberty Aviation Museum and members of the Kubel Korps to participate in "Operation Sealion II"! The operation was a fun historic military vehicle ride to the Islands of Ohio. This time the destination was to Kelley's Island in Ohio's great Lake Erie. The date was Tuesday June 27<sup>th</sup>. Members of the Ohio Motor Pool included Eric Paul, Doug Curtiss, and Gerald & Susan Mlynek participated in this fun day. This was the 2<sup>nd</sup> such event, the first one was completed in October 2022 with a ride to Put-In-Bay island.

Starting from the base camp of the Liberty Aviation Museum in Port Clinton Ohio, the group of vehicles convoyed to the Kelley's island ferry boat docks. Boarding the ferry, then a 30 min boat ride to the Island.

Continued on next page.....

**June 24, 2023 - Bluffton, OH** - Bluffton, OH Cars & Coffee Car Show, Photo taken by David Parker.

On the ferry going to Kelley's island.

Doug Curtiss rode his WLA Tribute Bike from Canton Ohio to and from the event!

Accidentally parked in "allied only" parking spaces at lunch!

The day was then spent exploring the island's scenic lake view roads and historic areas. Operation Sealion was a success as the hours spent on the island included lunch at the Captains Corner in their town center, a visit to the pre-historic Glacier Groves, one of the many wineries and a stop for ice cream! Local residents were surprised by our visit but were welcoming and enjoyed the opportunity to see the historic vehicles up close and in operation! Vehicles included Zundapp KS750, BMW R-71, 1942 Kubelwagen, Dodge WC ¾ ton truck, and Harley Davidson WLA tribute bike. We made some friends and had good conversations. A big thank you to Ed Patick and Eric Paul of the Liberty Museum for hosting the base camp and opening their doors for us. We will plan to schedule this fun ride again a fall ride is in the works. Hopefully we add more vehicles to the event.

**July 4, 2023 - Fairborn, OH** - As usual a great showing of vehicles at the annual 4th of July parade in Fairborn. This year I heard David Arreola narrated the information about the vehicles so he was at the front of the MV group. Hopped out of his chaffered ride (chaffer, Kathy Arreola), told what vehicles were what, then hopped back in his ride to finish the parade. Photos on this page taken by Mike Haines.

More Fairborn 4th of July photos taken by Sam Cottongim.

**July 15 & 16, 2023 - Port Clinton, OH** - Liberty Aviation Museum's annual Military Vehicle & Living History Week-end. Saturday was rainy and miserable. The helicopters went up for awhile then were put in the hanger. Above left Ben Lapinski and family were there along with above right, Jim Hrib and his IH M 2-4 and Larry Keller's 1960 M422 Mighty Mite which had a bad day. On the way up the windshield, which was down, came unhooked and took off. After going back to get it, Larry found it in pieces so is on the lookout for a new windshield. Sunday was a much nicer day so took our chairs and spent time with the Hazlett brothers. Photos on this page taken by Ann Winegardner.

As the center of a strong and loyal Jeep community, the tri-state area consists of more than **60 Jeep enthusiast clubs with approximately 1 out of every 5 registered vehicles in the region being a Jeep**. Most of these vehicles are stock vehicles or lightly modified, offering a tremendous opportunity for Jeep aftermarket product manufacturers.

### Ohio Heritage Days

September 23<sup>rd</sup> & 24<sup>th</sup>, 2023

Would you like to help us celebrate our 46th Annual Ohio Heritage Days at Malabar Farm State Park!

We need crafters and demonstrators!!

This popular family festival is one of Ohio's largest free outdoor educational and living history festivals.

The vision of Heritage Days is to preserve past knowledge and promote future innovations of rural life through education and outreach.

Highlights of the festival include traditional crafters which feature their works in weaving, woodworking, spinning, quilting and broom making, but also many modern crafts. The event also showcases a range of 18th century demonstrations, such as blacksmithing, musket shooting and pioneer cooking.

If you would like to apply for consideration as part of this event, please reach out to the park at 419-892-2784 or by emailing your information to

[malabar.farm.parks@dnr.ohio.gov](mailto:malabar.farm.parks@dnr.ohio.gov)

We hope you will consider being part of this great tradition in central Ohio.

## OMP PX News

At the October meeting that will be held at the home of John & Pam Cheney, the club PX will be open for the last time this year. If you need anything, this will be the time to get it.

This beautiful red, white and blue quilt with patches from each branch of the military was recently donated to OMP by Dana Montgomery. We are going to raffle it off at the Christmas banquet and money collected will be donated to a Veteran's charity voted on at the December meeting.

Tickets are \$1.00 each, 6 for \$5.00 or 12 for \$10.00. All we need is your name and phone number on the ticket. Quilt will be brought to each meeting for you to see. It comes with a plastic tote to keep it clean. Lets get those tickets bought so we have a nice donation for some worthy Veteran's charity.
