President Says...Hi Folks,

I hope everyone is having a nice summer this year. I have been going through our collection the past few weeks. I finally started going through our field kitchens cleaning them and sorting items. I found a few things I forgot I had. I also found a lot of things I didn't want. The raccoon played havoc pooping all over everything. I hope I got them sealed good enough to keep them out. We also thinned the herd a little bit. We sold our M35A2 and M105A2 to Dan & Beth Tegtmeier. Dan and Ethan worked on the fuel issue and got running again. Miriam and I know it has a good home and it will get used. We are getting ready to have neighborhood yard/garage sale. We hope that a lot more stuff is thinned out. I'm getting ready to work on building a shop in the garage and update the electrical service. That should keep me busy the rest of the summer and fall.

Our next meeting will be in Danville at the Ellis Brothers gravel pit on Sept. 9th. The plan is for John Ellis to provide the main meal. I'm asking members to bring a salad or a dessert. Plan on bringing a chair and whatever you like to drink. We will eat at noon and meeting to follow. The trail ride will take place after the meeting. October's meeting will be at John and Pam Cheney's compound. I hope to see you all soon. If you have any questions, please contact one of officers.

Your President,
Alan Kisling

V.P. Says...

A.W.O.L. this month.

Editor Says...Hi Everyone!

Can you believe we are coming on into September already? This past weekend there were so many events. Unfortunately, you'll have to wait until next month for pictures. I'm still collecting pictures from Conneaut and I'll need some from Fort Fest but we have a great collection from events this past couple

months that we used in this issue.

Our hunt for a new printer for the newsletter has been eye opening. We may be doing some changes on the newsletter. Time will tell.

The next meeting is our annual Ride Through the Woods, hosted by John Ellis. We will meet at the quarry and eat at noon, short meeting then our convoy. All information and maps are in this issue. Hopefully the weather cooperates. It has rained the past 2 meetings. July a LOT and August while we ate. So the showers are getting shorter. All you'll need is a dish to share, preferably a side, salad or dessert as John is providing the main part of the meal. Things to bring - your drinks, possibly a chair and a vehicle. Make sure you have plenty of gas as when we get out on the roads some are a long way from a gas pump. Meetings start getting shorter at this time of year. This gives us more time to get on the road.

Last month's meeting was great. Matt Martini gave us an overview of Lauer Historical Farms and of the event they host in October. This reenactment is getting larger and is drawing more and more people. He also stresses that in the days before, area 8th, 9th and 10th graders come out and are able to ask questions and view items from WWII era. He also told us about the history of Lauer and how it grew. After the meeting we got to nose around and see what all he had been talking about. Thanks Matt!

Side note - starting 2024 OMP raised dues. We voted on this at the December meeting. Dues have not been raised since we organized in 1991. With costs rising and finding a printer, we had to. So when you pay your dues coming up at the end of the year single membership will be \$20.00 and couple/family will be \$30.00. It was a hard thing to do but given the circumstances, it had to be done.

See you on the 9th,
Ann Winegardner

After the meeting Matt Martini gave a presentation of Lauer Historical Farms and what it does.

Lauer is 65 1/2 acres that is in the Johnny Appleseed Metropolitan Park District. It is a working historical farm dated back to the mid 1930's through world War II in the mid 1940's.

Matt Martini, our host, brought to the farm the inspiration of telling the story of WWII. In October Lauer Farm becomes a battleground for one of the WWII skirmishes. During this time Matt has around 800 8th, 9th and 10th graders from area schools come in on Friday before the big event and have a hands on experience. He has 3 stations that tells of different portions/people of the war. They get to ask questions to historians plus see the vehicles and other items that were used during the war. It has been proven to be a great addition to the kids education. Matt said some of the kids come back both Saturday and Sunday to the show to watch and learn history.

OMP has had members participate in this event and have said only good things about the venue and the people in charge. If you remember we have had many pictures of this event and they show every aspect of the things that might have occurred during a battle from the medics to the field, a great demonstration of what happened during those times.

Next event is October 13 to 15, 2023 and for more information contact Matt at lauerfarms1944@gmail.com.

MEMBER UPDATES -

We have people that still not have paid their dues. **This will be your last newsletter.** So if you don't get one next month and still want to be a member, please get hold of John Cheney II and get current again. His contact info is on page 3. Also, dues will be going up next year per the member vote in December. We have never had an increase in dues but with rising costs, it needed to be done. 2024 dues will be \$20.00 for single membership and \$30.00 for couple/family.

We still have some members on the "get better" list and hope they are doing much better but I know another is having or had a recent procedure. So please continue to keep them in your prayers and we hope things get better for them and they are back out with their MV's!

WANTED: We are still looking for another printer to take over the printing of the OMP newsletter and possibly the calendar at the end of the year. Our current printer, Randy Bennett is retiring and let us know he'll print until the end of the year unless we find someone sooner. We have been out looking for quotes and it will be hard with someone new with all that KMI has helped us with this past 16 years. There is a lot that goes into making the newsletter. I'm the easy end other than working with me. The quotes will need to contain printing, collating, folding, stuffing envelopes, affixing address labels, stamping then mailing. Questions? Call one of the officers.

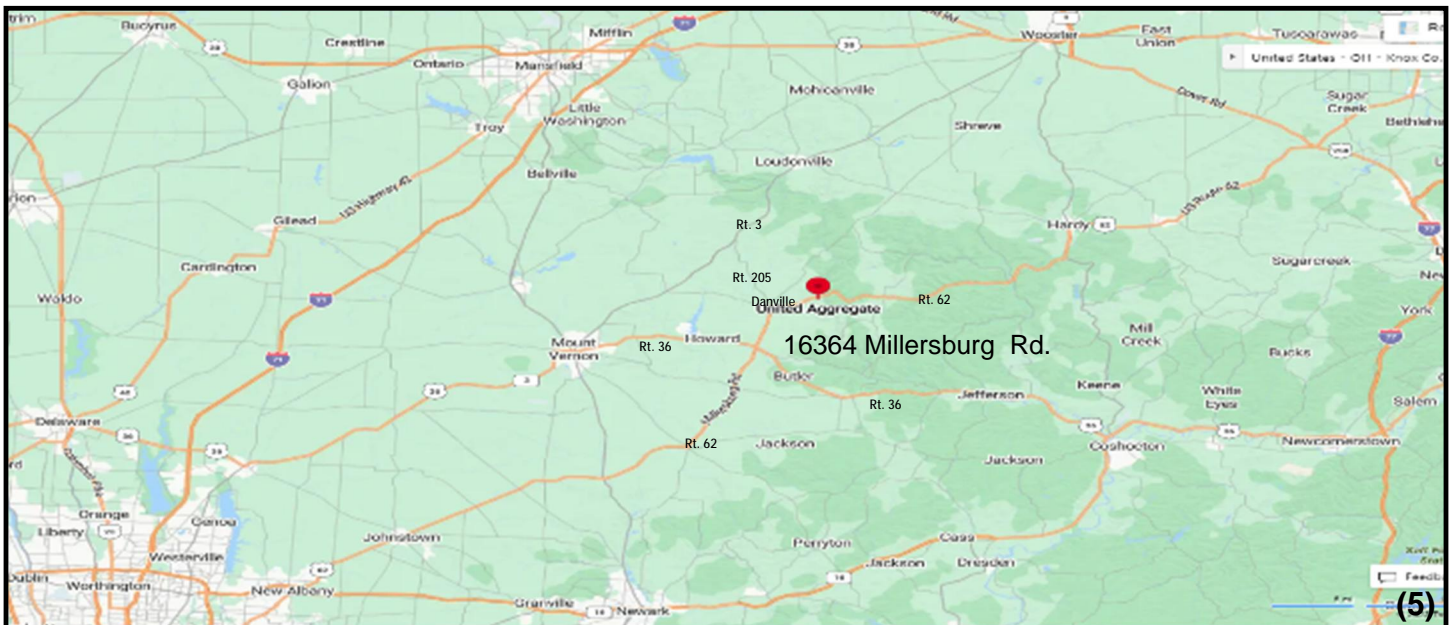

Entrance to location of meeting.

Next meeting and ride in the woods!

Next meeting, Sept. 9th John Ellis hosting. Location United Aggregate Plant 2, 16364 Millersburg Road, Danville, OH 43014. Rain or shine! Eat at noon, meeting afterwards. John is

providing the main meal and members are to bring a salad or dessert. Also, bring your drinks, maybe a chair and be sure to bring a vehicle! If you have question, give Alan Kisling a call 419-566-4048

Ohio Heritage Days

September 23rd & 24th, 2023

Would you like to help us celebrate our 46th Annual Ohio Heritage Days at Malabar Farm State Park!

We need crafters and demonstrators!!

This popular family festival is one of Ohio's largest free outdoor educational and living history festivals.

The vision of Heritage Days is to preserve past knowledge and promote future innovations of rural life through education and outreach.

Highlights of the festival include traditional crafters which feature their works in weaving, woodworking, spinning, quilting and broom making, but also many modern crafts. The event also showcases a range of 18th century demonstrations, such as blacksmithing, musket shooting and pioneer cooking.

If you would like to apply for consideration as part of this event, please reach out to the park at 419-892-2784 or by emailing your information to

malabar.farm.parks@dnr.ohio.gov

We hope you will consider being part of this great tradition in central Ohio.
